Participant Booklet

Nau mai haere mai, Welcome

We are looking forward to sharing a productive few days together at our annual Forum here in Wellington.

We thought it may be useful to provide a booklet to participants to record thoughts, reflections and reminders from the Forum – a place with easy access to the wonderful ideas and collaborations we will generate in the next two days!

Please remember we are operating the “**2 before you**” guide for the day: after you speak, please let two people speak before you speak again.

We are excited about sharing time together.

Let's begin with this waiata:

Te Aroha
Te Whakapono
Me te rangimarie
